and Rs 312/- for the repairs of the bathing ghat at Timmukudlu, a report was called for as to why the works should not be carried out at the cost of the Municipality.

2. It is reported that the Municipality is a minor one and has hardly enough funds to spend for the repairs of its own roads & that the cost should be met from the accumulated interest on the Gl. Muz: Fund. If this is approved, the ~~the~~ amount to be met will be Rs 1144.

3. Besides, the M.C. states that an estimate for Rs 2619 for the repairs of the Bhikshesvara Swamy temple has also to be sanctd from the same source.

This will be considered when the Estimate are received for sanction.

4. If these estimates are sanctd this year, the cost has to be met from the source pointed out. If the works can be carried out at the beginning of next year, then the cost may, perhaps, be met from the State grant allotment and also from the allotment out of the interest on the Gl. Muz. Fund.
